RE: Fort Hood Shootings

Tulsa Muslims send their heartfelt sympathy to the soldiers and their families who were victims of today's tragedy at Fort Hood, Texas. As Americans and as Muslims, we categorically condemn the shooting of the soldiers. We value the voluntary service of all who serve in the military and the sacrifices they make in defense of our country. No words can express the sadness we feel that Fort Hood's moment of celebration and graduation was destroyed in such a horrific way. We trust that a thorough and fair investigation will be pursued and that the responsible parties will be held accountable.
